## DIFFERENTIATOR

The difference comes with our attitude towards the customer and our standard of performance. Having been in this business for more than 9 years we apply our experience so that the customer feels a lot less hassle. There will always be issues but our Account Managers take immediate control of the situation thus resolving the matter in a professional manner

**Eagle Pro Clean** is an Eco Friendly Building service company. We strive to perform Green Cleaning. (**Cleaning to protect health without harming the environment**). The goal is to reduce pollutants spread throughout your facility and to promote indoor air quality.

### Our Mission

To be the leading provider of the highest quality Building services solutions by achieving satisfaction delivered through competency and professional integrity.

### Our Vision

Become the benchmark in the integrated building services service by sample
